Island of Honshu, Japan**

Lights in the park of Turin, Italy

The night sky and the Northern Lights over the glacier Jokulsarlon, Iceland

The boiling ocean, Hawaii, USA

Lake, Thailand

View of the evening Fujiyama, Honshu, Japan

A landscape photograph showing a foreground of dark, cracked, and dry earth, likely a salt flat or a similar geological formation. In the background, there are rugged mountains with patches of snow or ice, set against a clear, bright blue sky. The overall scene suggests a high-altitude or arid environment.
