

# INTERNET

# The Internet is:

- a network of computers;
- an information resource;
- a communication system;
  - a community of users;
- a collection of services.

**World Wide Web** is the set of pages that are linked references.

\* *set* – набор

\* *referance* - ССЫЛКА

**Site** is a group of pages that belong to one organization.

\* *belong* – принадлежать

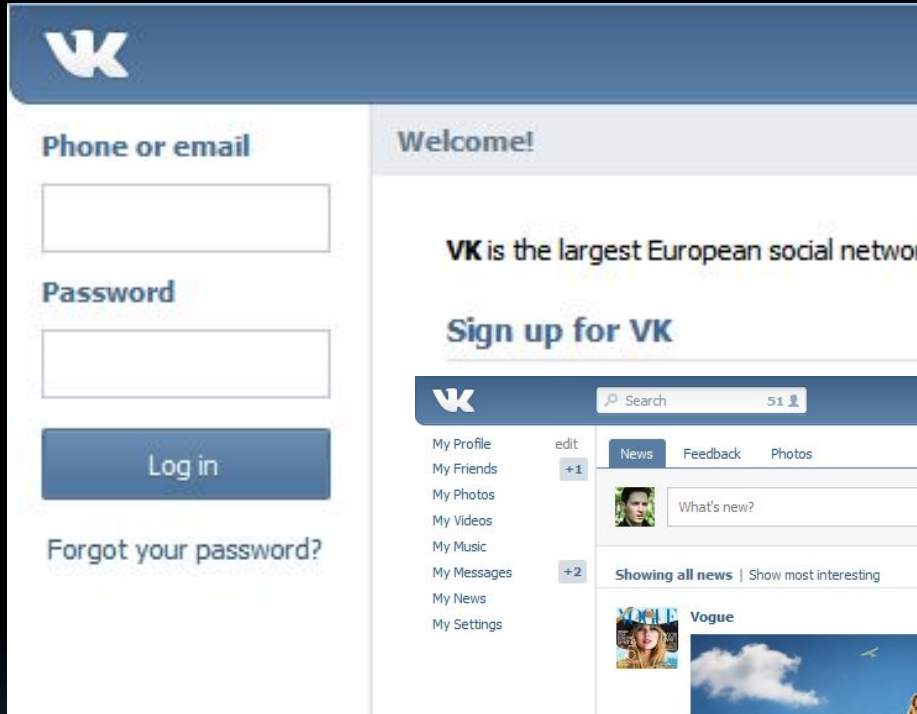

**Social Network** is a website that is designed for social interaction of people.

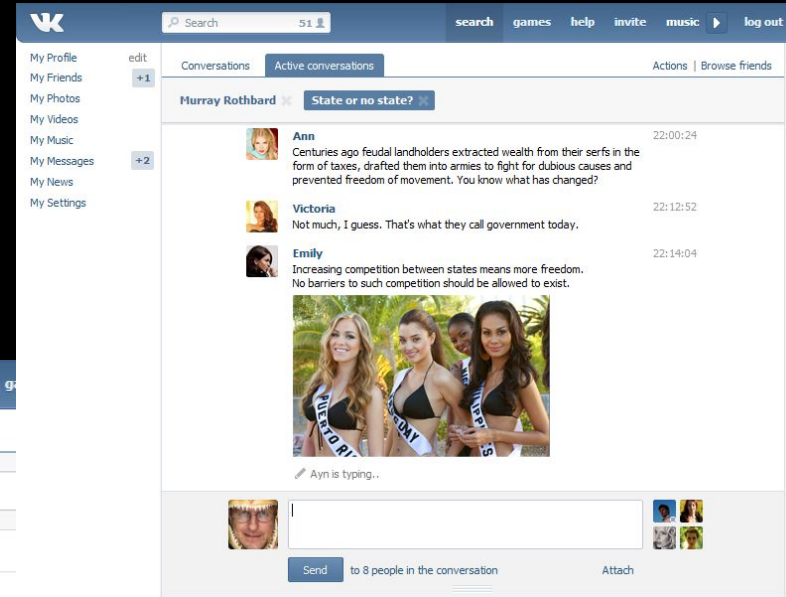

- \* *designed* – предназначенный
- \* *interaction* - взаимодействие

for example...

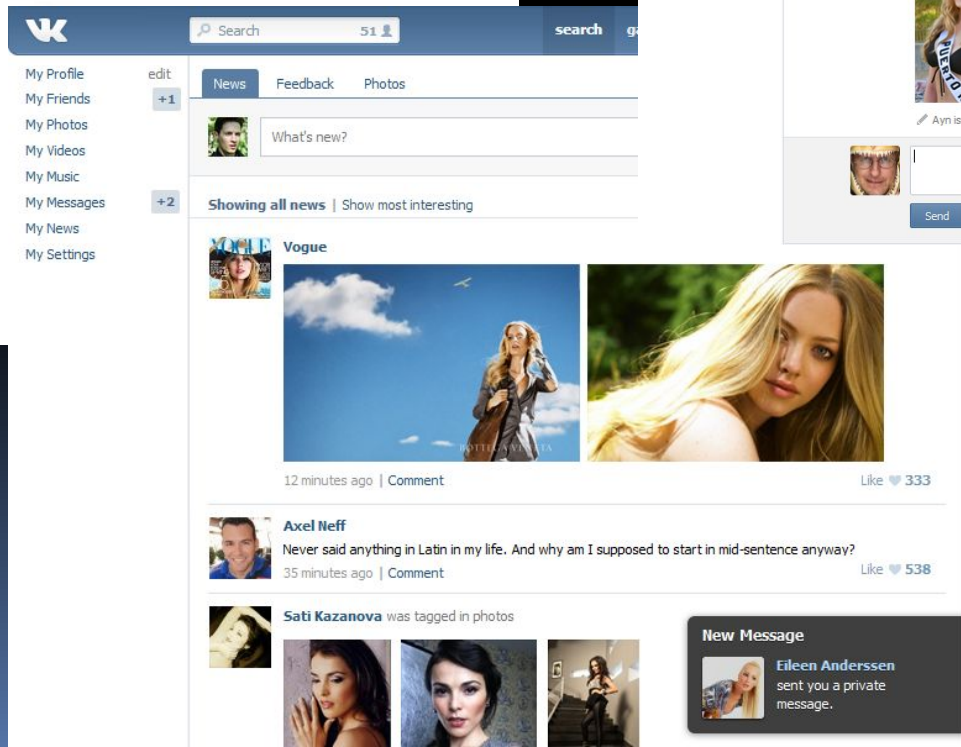

# Vkontakte

The image shows the VK login and registration interface. On the left, there is a login form with fields for "Phone or email" and "Password", a "Log in" button, and a link for "Forgot your password?". On the right, a "Welcome!" message states "VK is the largest European social network" and includes a "Sign up for VK" button.

The image shows a VK conversation window. The header includes a search bar with "51" results and navigation links for "search", "games", "help", "invite", "music", and "log out". The conversation is with "Murray Rothbard" and has a title "State or no state?". The message history shows three messages from "Ann", "Victoria", and "Emily" discussing feudalism and government. A photo of three women in "Miss World" sashes is attached to the last message. The bottom of the window shows a "Send" button and "Attach" options.

The image shows a VK news feed. The header includes a search bar with "51" results and navigation links for "search", "games", "help", "invite", "music", and "log out". The left sidebar shows navigation options: "My Profile", "My Friends", "My Photos", "My Videos", "My Music", "My Messages", "My News", and "My Settings". The main feed shows a "What's new?" section with a "Showing all news" filter. The first post is from "Vogue" featuring a photo of a woman in a coat, posted "12 minutes ago" with 333 likes. The second post is from "Axel Neff" with the text "Never said anything in Latin in my life. And why am I supposed to start in mid-sentence anyway?", posted "35 minutes ago" with 538 likes. A "New Message" notification from "Eileen Anderssen" is visible in the bottom right corner.

and many others.

There are many advantages of Internet. I think that the Internet becomes a way of a person life and it is very harmful for our health. I don't against the Internet, but it should have reasonable limits.

\* *advantage* – преимущество; *harmful* - вредно  
*against* – против; *reasonable* - разумный
