About kite skiing

Kite skiing is a mix of kiting and skiing. It's a very young kind of sport. It was created just 10 years ago. But now it's very popular.

- A traction kite
- A pair of downhill skis
- A pair of downhill ski boots
- A helmet
- A good pair of thin yet warm mittens
- A warm clothes

The place

- The best place for kite skiing is a frozen lake.
- It must be 4" or 10 cm deep
- Any snowy field will be a good place, too
