I'm Renata.
I'm nine. I like
skiing.

Every year my family and I take part in ski-track of Russia.

Finish is
sometimes
so exciting!

The victory
makes
even dance on
skis)

You can
see on the track
such spectacle
sometimes)))

I look forward
to meeting with this
funny cat.
I believe I am lucky!

I would be happy
to meet this robot)

Snow has melted
in this place.
I'm preparing
for such tests!

Wow! How cool!
My dream is to get into freestyle!

Of course, the
original.
But I'm not thrilled.

My trainer also uses
skis for other purposes.
In the country he built a
fence of skis.
It's a shame...

As for me I value
my skis. My dream
is to
become an Olympia!
