

CONFLICTS

What is a conflict?

- A conflict - a clash of opposing goals, interests, opinions and views of people.
- It is a natural thing in our life.

causes of conflict

- Conflicts happen, because all people are different from each other. Each person is unique in nature. Each of us has our own habits, manners and beliefs.
- Very often people have conflicts because they do not listen to each other well.
- They don't think about what other people want.

Conflicts are different :

Conflicts between friends

Conflicts between children and parents

CONFLICTS BETWEEN THE TEACHER AND STUDENTS

Conflicts at work.

Conflicts between political parties

How to resolve a conflict?

- You should understand that other people also have the right to be different from you.
- Put yourself in the shoes of another person
- You must respect the right of other people to have ideas that differ from your ideas.
- Be just and tolerant people
- You may solve all problems peacefully
- I advise you to read books on psychology to better understand people.
