The image features a vibrant, cartoon-style illustration of a garden. The top and bottom edges are framed by lush green foliage, including large, pointed leaves and clusters of small, bright orange berries. The background is a soft, light green and yellow gradient, suggesting a bright, sunny day. In the center, the text "Goodbye, children!!!" is written in a bold, black, cursive font. The overall composition is cheerful and inviting, typical of a children's educational or farewell card.

***Goodbye,
children!!!***
