

GOOD

MORNING

A vibrant, textured painting depicting a rainy day. The sky is a deep, bright blue, filled with white streaks representing falling rain. Several umbrellas are visible: a large yellow one in the upper left, a reddish-brown one in the upper right, and a portion of a third one on the far left. Below the umbrellas, a cobblestone path in shades of brown and red leads towards the bottom right. In the lower left, there is a patch of green grass with small yellow flowers. The overall style is expressive and painterly.

Come again another day,
Little Johnny wants to play,
Rain, rain, go away.**
