- 
-
- Hobby is something you like to do in your free time.
 - Leisure activities are different. Let's start.

Doing sports

- Many people, especially those who take care about their health, are doing different kind of sports: playing games, jogging, skating and others.

Travelling

- Travelling is one of the most interesting hobbies for both young and senior people. Its a good opportunity to get acquainted to new places and new people

Playing computer games

- Without a doubt, nowadays there are a lot of people both kids and adults enjoying this way of spending free time.

Growing flowers

It's really an art to grow flowers, trees and bushes by your own hands for keeping your garden beautiful.

Keeping pets

- It's a nice feeling to take care about our small friends who really need it.

Collecting things

- People can collect different things- from small things to huge ones

Making things

- Some people have “golden hands”
- We say it when someone is very good at making things by own hands. And often it is a kind of hobby

-
- Thank you for your attention!
 - Hope you had nice time !
 - Good luck!
