My summer holidays

Summer is the most wonderful time for holidays. I always look forward to my summer holidays. There are different ways of holiday-spending and you can vary it. You can stay at home sleeping off, reading interesting books, watching TV, surfing the net or playing computer games all day long.

Some people spend their holidays at the seaside or in the mountains. You can also spend several weeks in the country with your grandparents helping them in the garden and on the farm. You can go fishing or enjoy a nice smell of flowers. It's nice to go for walks to the forest picking mushrooms and berries. If you don't mind listening to the barking of the dogs and the croaking of the frogs in the evening, go to the country.

Others like going abroad to visit some exotic places. They go sightseeing and visit the places of interest.

A lot of children spend their holidays at a summer camp. What about you?

- *Where did you spend your holidays? Who with?*
- *What did you do?*
- *How did you like your holidays?*
