

Let's begin our
new lesson!

16, April

Good afternoon, children!

*I am very glad to see
you and I hope that
everyone will be happy*

So our theme is:

**“We are different, but
we are all the same.”**

We must:

- ▶ *Learn some new words*
- ▶ *Use at our speech*
- ▶ *Make sentences*

Check up!!!

1. Kind
2. Crying
3. Happy
4. Sad
5. Shouting
6. Angry
7. Dreaming
8. Curious
9. Thinking

We cry when we're happy

We cry when we're sad

Now doesn't that make you oh so mad?

A close-up photograph of a person's face, showing their eye, nose, and mouth. The person has a somber or sad expression. The background is blurred, showing green foliage. The text is overlaid on the image in various colors and styles.

Now it's all

Angry and sad

That's all there is

That's all there ever is

***Love** is a pink and purple in colour*

It tastes like Cadbury chocolate

It smells like a freshly baked cake

It sounds like baby talk

*But **Love** isn't always what it's cracked up to be*

***Love** is blood red*

Happy is golden.

Happy tastes like chocolate cake.

It has the scent of cookies that are baking.

Happy is like having someone tell you

They're taking you to Dream world.

It sounds like someone saying,

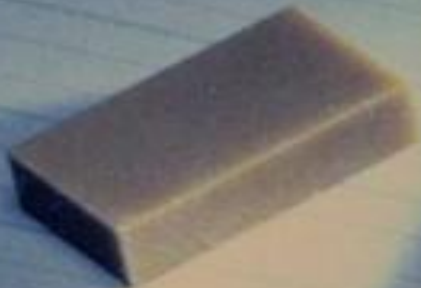

"I've got a present for you".

Happy is heavenly!

*“I think that positive /
negative emotions are...”*

Today is the first day

Now we will finish our lesson

Homework

Page 97 ex. 15

A black and white close-up photograph of a baby's face. The baby has large, dark, wide-open eyes and a slightly open mouth, looking directly at the camera with a curious expression. The lighting is soft, highlighting the texture of the baby's skin.

*Good -
bye!!!*
