

LIFE IS  
LIKE a  
ZEBRA:  
a lucky  
STRIPE

And in dark days  
things go wrong ...

*Quarrels with true friends*

*cut the ground from under my feet*

**No comments....**

*MY PARENTS ARE THE  
BEST,*

*BUT NOT TODAY*

# MY PET HAS GONE

**Yesterday I was happy,  
but now I'm not.**

**By the way, what is “happy”  
?**

Japan - harmony within and without  
 India - realization of your life mission in order to get a new life

England - home and social status

Germany - to have plenty of money and get God's love

The USA - prosperity

Africa - bare necessities

North Korea - collective labour and community spirit

Italy, Portugal, Spain - a large and devoted family

France - love, emotions

Russia - be yourself, God loves you the way

# FOR ORDINARY PEOPLE HAPPINESS IS...

...a brief but strong feeling

...when you are not bothered with problems

...love

...when you feel as happy as a lark

...life

...a short space of time like a flash

...dreams that come true

...illusion

...when my family is OK

...love to everything and everyone in my life

...wealth and world-wide fame

...children

A photograph of a misty forest path. The path is dirt and leads through a dense forest of tall, thin trees. The ground is covered with green ferns and other vegetation. The atmosphere is hazy and serene.

**SOMEONE UNDERSTANDS  
“HAPPINESS” AS**

**“INWARD SATISFACTION” .**

**THE OTHERS SEE IT IN A CIRCLE OF THE NEAREST AND DEAREST.**

**SOME TREAT IT  
AS PROSPERITY.**

**THERE ARE ALSO PEOPLE  
WHO CONSIDER “HAPPINESS” AS ENJOYMENT**

**TO MY MIND, “HAPPINESS” IS LOVE TO EVERY  
CREATURE AROUND ME.**

My life is full of things that make me happy

# First, I love my country

My  
country

**Second, I adore my family.**

My  
family

**How I love them all!**

My parents are officers  
... very busy people!  
They defend our  
Motherland.

I'm sure, they  
will never stop  
loving me!

Third, I'm crazy about sport.

My hobby

Besides, I like to study.

**WHAT'S MORE,  
I DO LOVE  
MY PET.**

A photograph of a dog, likely a Border Collie, running on a gravel path. The dog is in motion, with its front legs extended forward and its body slightly blurred. The background shows a concrete curb and some greenery. The image is overlaid with a pattern of thin, white, horizontal lines that create a sense of motion or a digital effect.
