

LITTERING IS CRIME

LITTER IS
TRASH
IMPROPERLY
PLACED SO AS
TO BE
A NUISANCE
OR
HEALTH CONCERN

LAWS
REGULATING
LITTER ARE
PRIMARILY
STATE AND LOCAL
LAWS, WHICH
VARY BY
STATE AND LOCALITY

Litter on the ground degrades natural areas and kills plants and animals.

Littering can carry germs, bacteria, and viruses. One of the harmful germs is Scavengers.

"EVERY LITTER BIT HURTS!"

The area is already messy, why bother finding a trash can?

Really? It's just one paper!

The garbage cans are already overflowing

Laziness, ignorance

The bins are dirty and not big enough

poor parenting and education, I'm drunk

REDUCING LITTER IS JUST A 3 STEP PROCESS

"DON'T BE A LITTER-BUG!"
