LITTLE RED RIDING HOOD

CHARLES PERRAULT

January 6, 1628 – May 16, 1703

Charles Perrault
penned his
famous version
of the tale “Le
Petit Chaperon
Rouge” in 1697.

Little Red Riding Hood became popular with English language readers in the middle of the 19th century when the fairy tales of the Brothers Grimm took Victorian England by storm.

The puzzle is why the girl's name is "Little Red Riding Hood", not "cap" or "hat", in English variant.

Chaperon (headgear)

([jæpə:
roun]; Middle
French:

chaperon) was
a form of hood
or, later, a hat)
was a form of
