# LITTLE RED RIDING HOOD

# CHARLES PERRAULT

January 6, 1628 – May 16, 1703

Charles Perrault  
penned his  
famous version  
of the tale “Le  
Petit Chaperon  
Rouge” in 1697.

Little Red Riding Hood became popular with English language readers in the middle of the 19th century when the fairy tales of the Brothers Grimm took Victorian England by storm.

The puzzle is why the girl's name is "Little Red Riding Hood", not "cap" or "hat", in English variant.
