A long-exposure photograph of the Tower Bridge at night. The bridge's two towers are illuminated with a bright green light, and the roof is also lit up. The bridge's suspension cables and the roadway are visible. Light trails from cars are visible on the road, with red trails on the left and white/yellow trails on the right. The sky is dark. The text "The end" is written in a yellow, cursive font across the center of the image.
