

A photograph of the Lviv National Art Gallery building, a grand, multi-story structure with a central arched entrance and ornate architectural details. The building is light-colored with many windows. In the foreground, there is a large, circular garden bed with green plants and some flowers. The sky is a warm, golden color, suggesting sunset or sunrise.

Lviv National Art Gallery

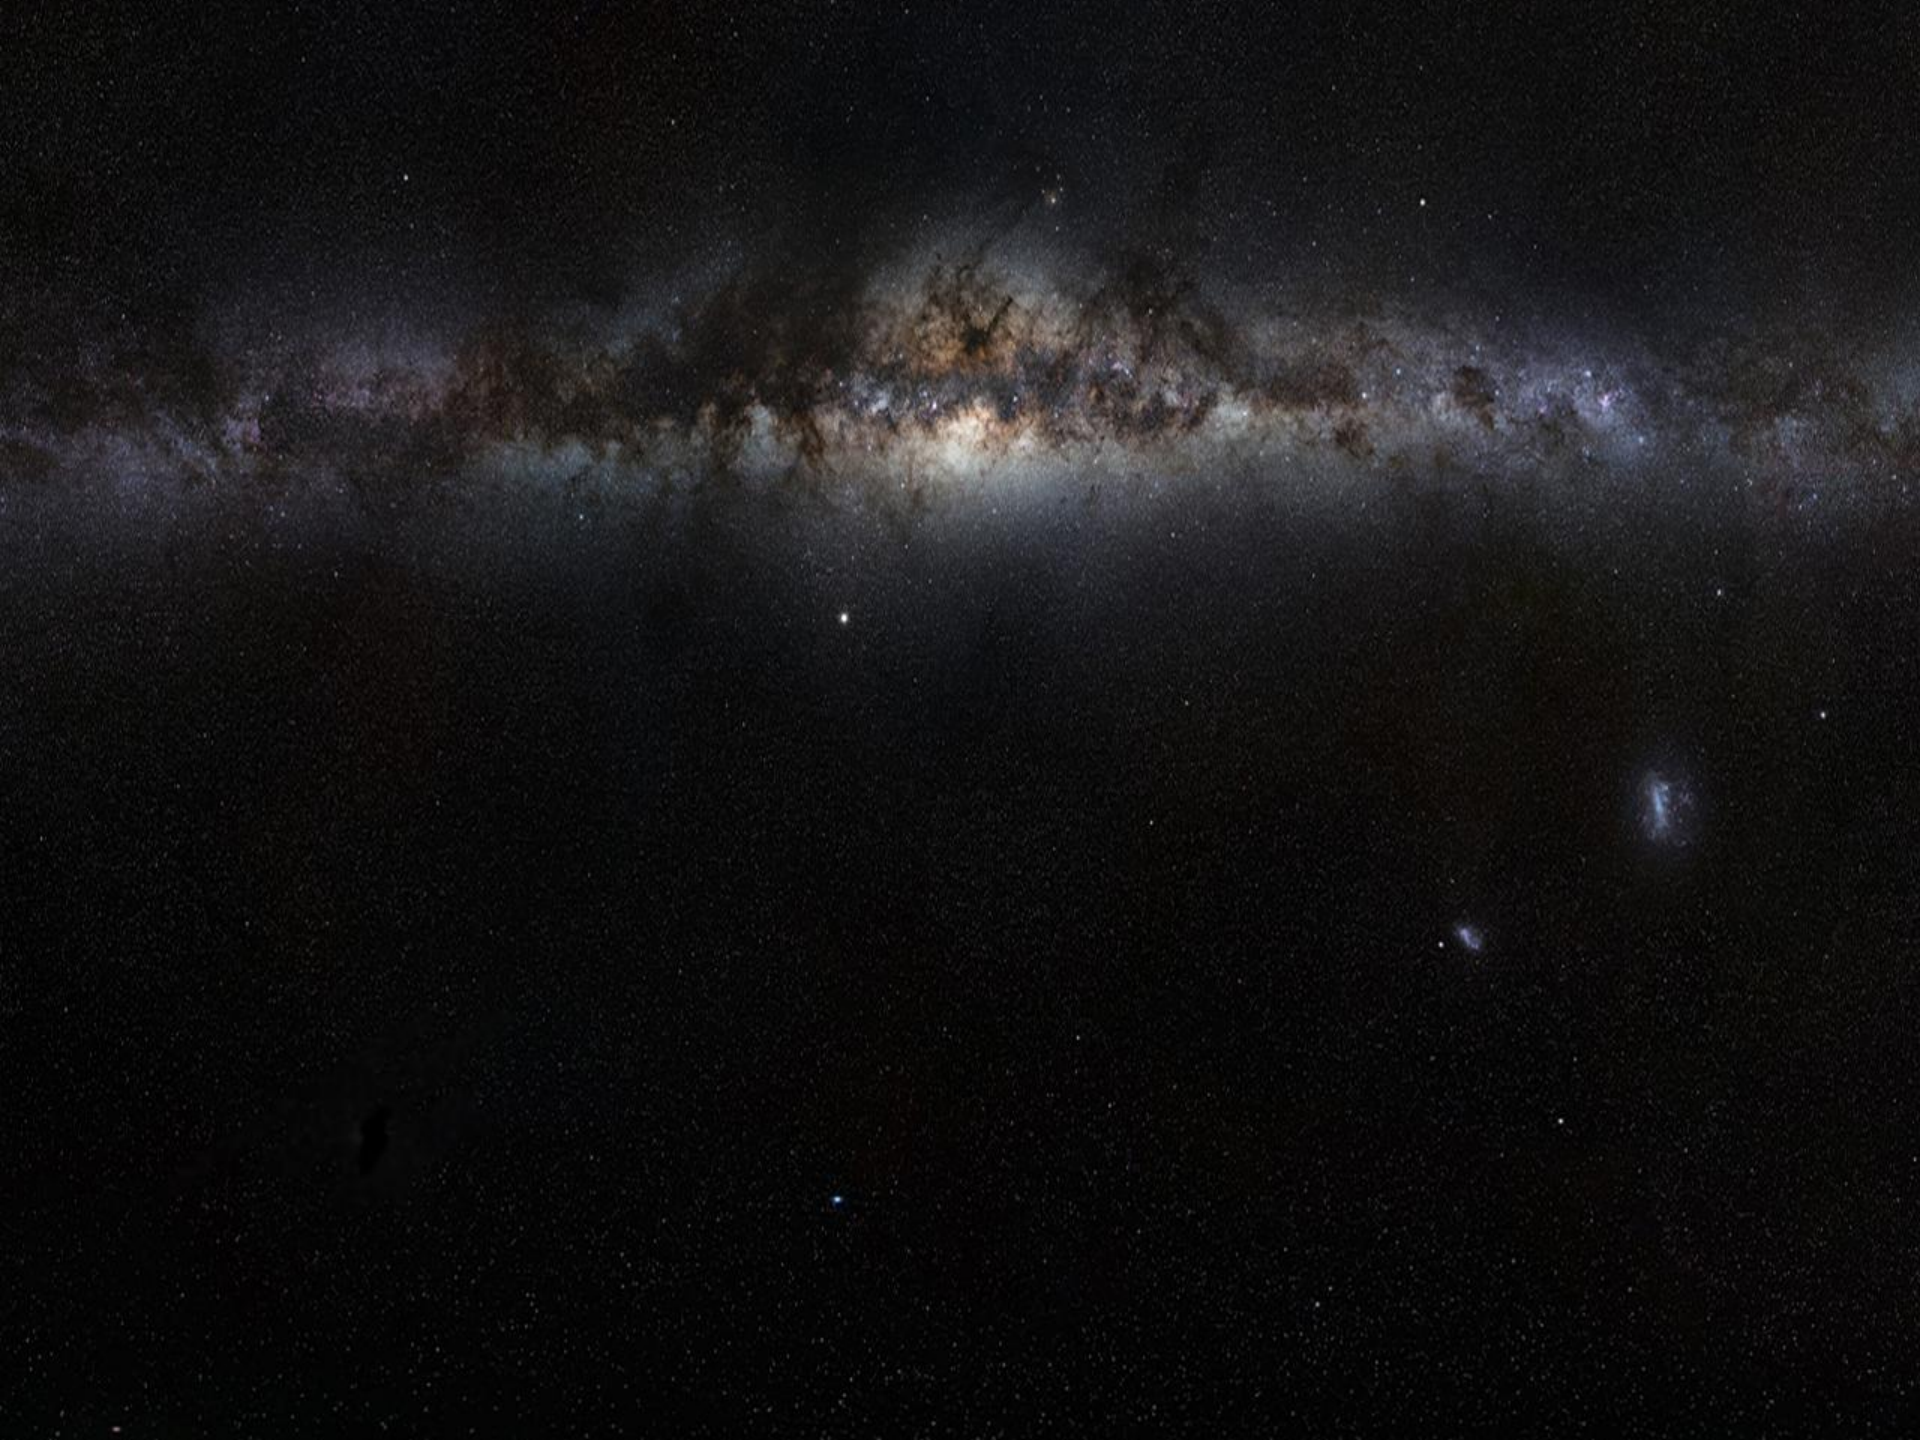

Founded in
1997

Prepared
Manakova Svetlana

the largest art museum in Ukraine. Located on the street Stefanik 3, opposite the library name Stefanik. The total number of items is more than 50 thousand.

Department of Italian Art.

Italian primitives are generally rare in museums around the world. Only one exception - London.

So in Lviv, you can see only a few examples of early Italian painting.

"Madonna with Child and Catherine of Alexandria"

Artwork Spain.

Art of Spain should be studied only in Spain itself. Samples of her art in other museums around the world are rare.

Jose de Ribera
painting "Saint
Jerome" 17
century.

WORKS OF ART IN FRANCE.

Works of artists of France is very difficult to acquire. Even more difficult to collect. It was, perhaps, always. Art of this country had practically no crisis was prestigious.
