

Dmitry Medvedev

Born: September 14, 1965

Birthplace: Leningrad

Activity: politician, third president of Russia.

Weight: 68 kg

Growth: 172

Dmitry was the only child, there lived a family in "dormitory area" of Kupchino. He studied at school No. 305. Medvedev's teacher remembers that Dmitry devoted all the time to study. With schoolmates on the street it could be found very seldom.

Dmitry Anatolyevich graduated from faculty of law of the Leningrad Order of Lenin and an award of the Labour Red Banner of the state university of Zhdanov. In 1990 it already ended postgraduate study I LIE.

By the way, in youth the politician was fond of a hard rock, his favorite bands, it is Black Sabbath, Deep Purple, Led Zeppelin. Now Medvedev collects records of collectives.

Dmitry Anatolyevich the admirer of information technologies, it is confirmed by his speeches in which the Internet and computers is mentioned.

- Dmitry Anatolyevich appeared in a role kameo in the movie "Fir-trees".
- I practiced yoga and swimming.
- Medvedev supports Petersburg "Zenith".

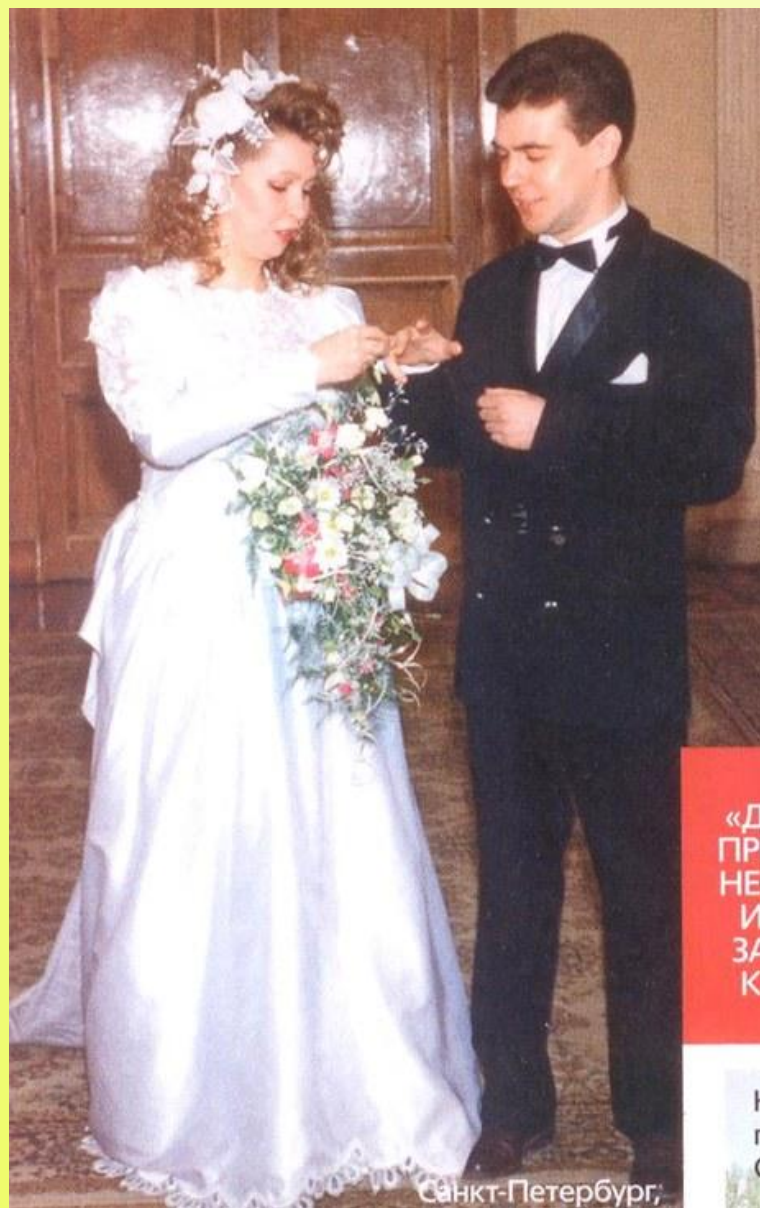

Is fond of the photo. I began a hobby with the Change chamber – 8M. And having already become the president, I participated in the photo exhibition "World Eyes of Russians".

In honor of Medvedev in the Palestinian city of Jericho the street is called.

In 1993 Dmitry Medvedev married Svetlana Linnik. With it he studied at one school.

In Medvedev' family there is a cat of breed Nevsky maskaradny by nickname Dorofei. Plus four dogs – two English of a setter, the Central Asian sheep-dog and a golden retriever.
