The aim of our research is to find out what is special in tees and why is it important to know what is on them?

Objectives:

- to find information about the history of a t-shirt;
- to investigate different sources of getting information;
- to investigate how different the t-shirts are nowadays;
- to get to know why tees are so popular;
- to interrogate a survey and analyze its results;
- to share our experience;
- to make a booklet.

The hypothesis of the research: message t-shirts can tell a lot of a wearer.

The subject of the research: speak English t-shirts.

Methods of work:

- reading articles in books and textbooks;
- getting information from the Internet;
- making a survey;
- translation;
- analyses and comparison;
- systematizing the material.

Questions:

- What is a T-shirt?
- What is the tee's history?
- What are the kinds of shirts?
- Why do people wear tees?
- Why tees with English inscriptions are so popular ?

We've got the answers:

A T-shirt (or tee) is a style of shirt. A T-shirt's defining characteristic is the T- shape made with the body and sleeves.

T-shirts are typically made of cotton fibers, knitted together in a jersey that gives a T-shirt it's distinctive soft texture.

Tees and English

English inscriptions
are widely used on t-shirts.

*«This is Photo
of My Ass»*

Clothes cover up our character.

The statements also may be found to
be offensive or shocking to some.

*«Ready to
Die»*

*«Let's Drink
and Make
Bad Choices»*

There are lots of stupid and vulgar
statements and slogans.

Conclusion

Firstly, it is very interesting to know that a t-shirt originally came from Britain.

Secondly, it is necessary to mind, that T-shirts are popular garments on which to display one's interests, tastes, and affiliations. We must be careful choosing English speaking tees

Thirdly, English inscriptions are widely used on our t-shirts, that's why we are sure in the practical value of our work as it can be used in the process of English teaching and learning.
