

MONTHS AND SEASONS

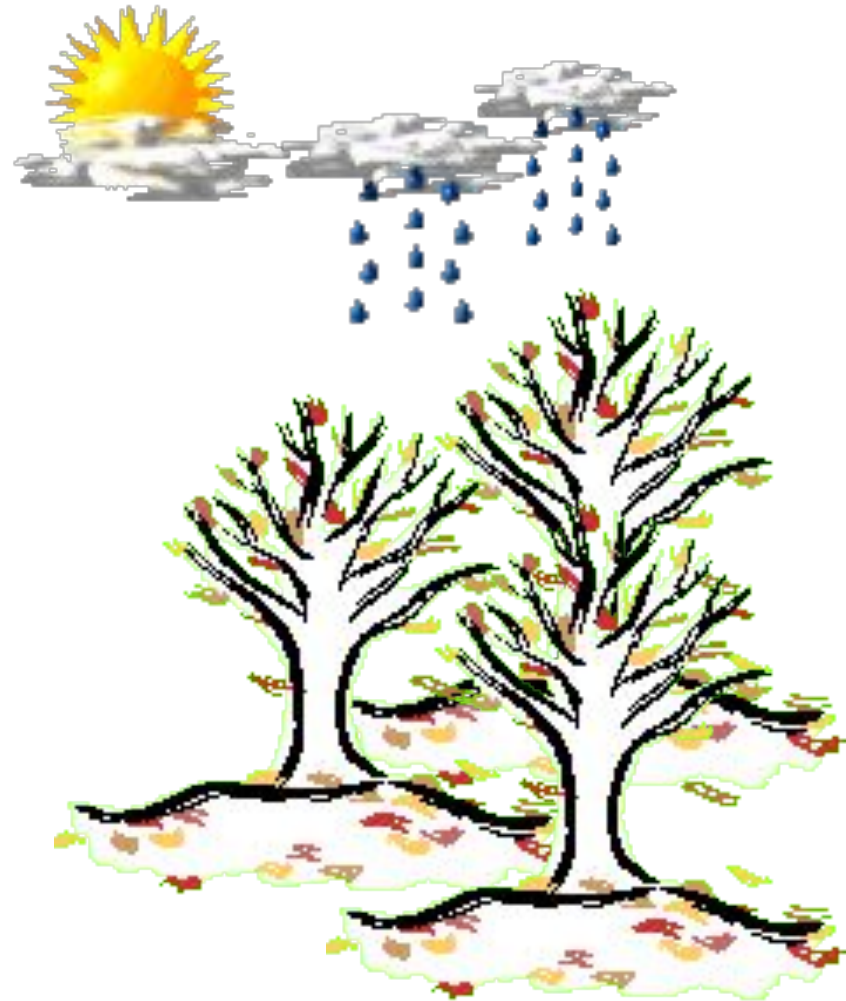

The four seasons of the year are:

autumn,
winter,
spring,
summer.

MONTHS AND SEASONS

September,
October and
November are
autumn months.

Autumn

In September it is warm and sunny.

October is cool, windy and rainy.

In November the weather is cold.

**In autumn you can see green, red,
yellow and brown leaves in the trees.**

MONTHS AND SEASONS

**December,
January and
February are
winter months.**

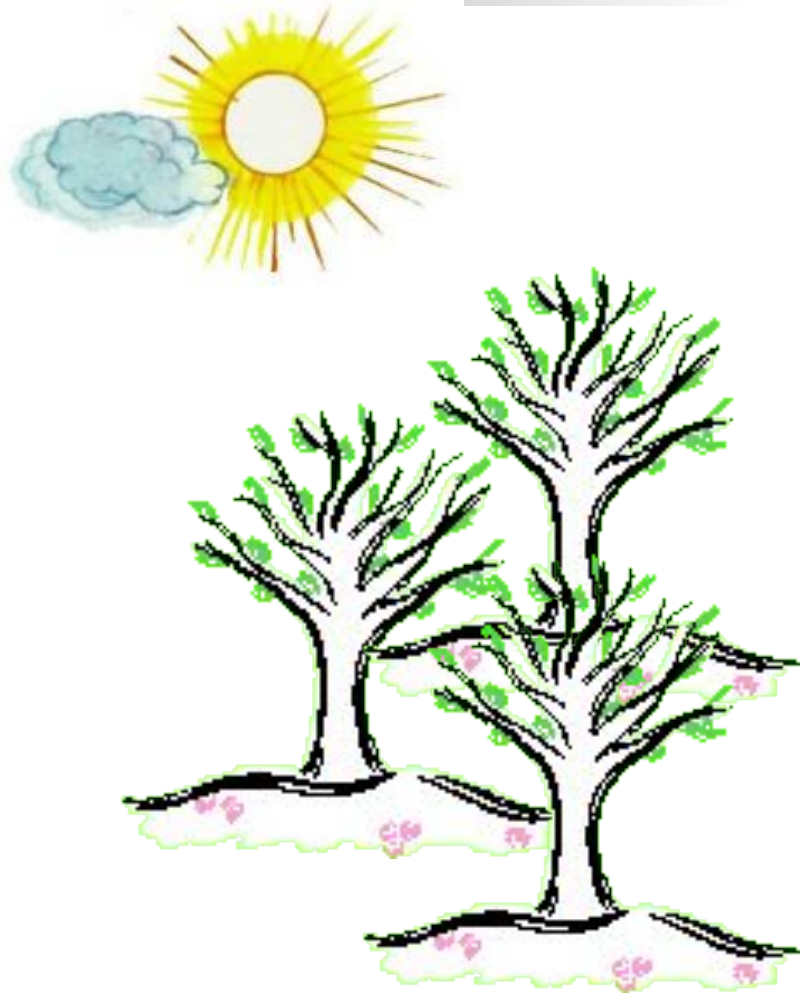

Winter

**The weather is cold in winter.
There is much snow on the trees, on
the houses, on the grounds, in the
parks and streets.
Children like to ski, skate, play
snowballs and make snowmen in
winter.**

MONTHS AND SEASONS

**March,
April and
May are
spring months.**

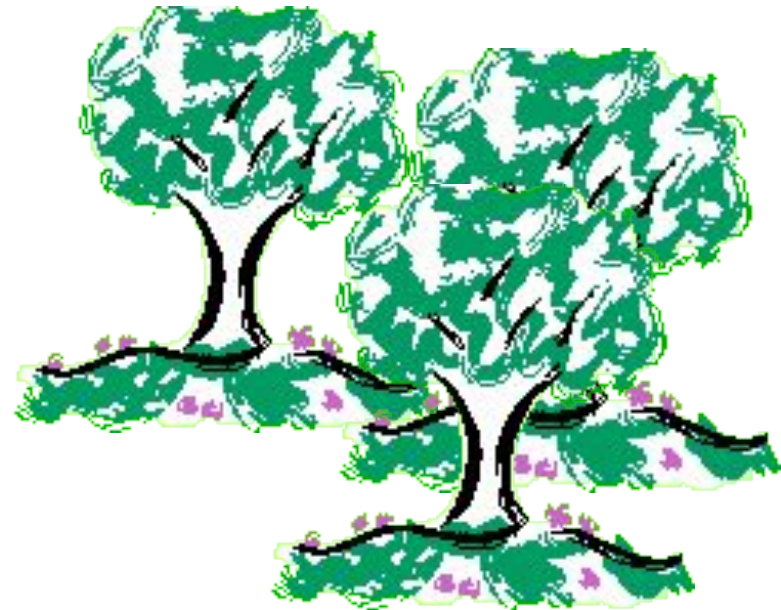

Spring

**It is warm and sunny in spring.
In spring you can see small green
leaves. The grass is green too.
There are many beautiful white and
pink blossoms on the fruit trees.**

MONTHS AND SEASONS

**June,
July and
August are
summer months.**

Summer

Summer is the hottest season of the year. There are many beautiful red, blue and pink flowers in parks and gardens. In summer the days are long and nights are short.

Children like to swim in the river and to play games on the open air.
