There are four seasons In a year.

They are : winter, spring, summer and fall.

I want to tell you about my favorite season.

It is summer.

Summer months are May, June, July and August

**In summer
the sun
shines
brightly**

It is often hot and the sun is high in the sky

Baby blrds learn to fly

In summer I can ride a bike and a horse

I also swim in the river and walk in the park

There are many more things I can do in the summer.

In the summer children have the longest holidays

I love summer holidays

My sister and my dad have their birthday in summer

I love to celebrate their birthday in summer.

**Thank you
for viewing
my
presentation**
