

Movement "SCOPE"

СФЕРРА

Movement "SCOPE" appeared in 2001 as a destination of international exchanges "Nizhny Novgorod volunteer service."

Each year, the movement "SCOPE" sends more than 500 young people to participate in volunteer camps abroad, organizes 18-20 such camps in Russia.

Volunteers not only work 4-6 hours a day, and relax, get acquainted with the country and the local attractions, exploring the cultural and social characteristics of the region.
