Varya likes eating a lot. She has meal three times a day. In the morning she eats special food for dogs and drinks milk. Then she eats chicken or prawns for dinner and in the evening she eats meatballs. She also likes sweets and chocolate but she eats it only at the weekends.

Varya is a very active dog. In summer she likes swimming in the lake and plays a lot in the countryside. She gets on with cats and other dogs.

She also likes lying on the grass.

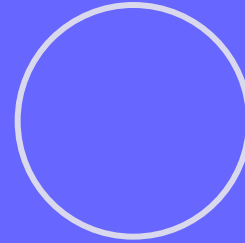

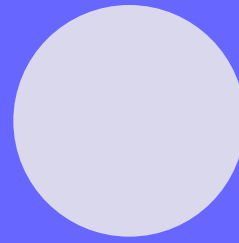

Varya is a hunter dog. Every year she hunts with my grandfather.

Varya has her own sofa but she often sleeps with me because she very loves me.

I go for a walk with Varya every morning and evening. We go to the park and play with a ball.

Thanks for watching!
