- The type of the house, the place
- Inside the house
- Outside the house

▶ **III. Conclusion**

Introduction

- ▶ *Everyone likes dreaming. Dream is a hope for better things. It helps us to overcome the difficulties of our daily routine. A dream depends on people, on their education, nationality, character and other things. People imagine they have a lot of money, own family, an expensive car. Other people imagine themselves to be presidents of different countries or whole planets. I like dreaming too. So Today I'll tell you about the house of my dreams.*

- 
- ▶ My dream house is located about few kilometers from the big city, like Almaty, in a very picturesque place near the endless river. Which surrounded by high mountains, covered with green forest of evergreen trees. I dream about place like this because I prefer clean fresh air and unpolluted water. It is a very cozy, comfortable, well planned detached house with big windows.

Inside the house

- ▶ In house of my dreams there are lots of rooms. But this house isn't so large. There are 8 rooms:
 1. Living room
 2. 4 bedrooms
 3. Bathroom
 4. Room for guests
 5. Kitchen

Living room

There is a big window. This room very cozy and bright. There are more types of plants. On the left there's a leather sofa and small table nearby, on the right you can see two armchairs. On the center there is a TV and a fireplace. In the living room we spend our evenings chatting with each other, children play with a kitten.

Bedroom for parents

This is a big room for my parents. There is a big window. There is a bed and there is a door that opens onto a balcony. There is a antique chandelier. This room is executed in green color because my mom and dad loves this color. Room is a bright and comfortable

Bedrooms for my sisters

My room

There is a big window. This room very cozy and bright. There is a chandelier. This room is very simple and small. There is a small bed and there is a commode. In this room there are 3 or 5 pictures. In this room I would like to do my homework, or I could draw.

Bathroom

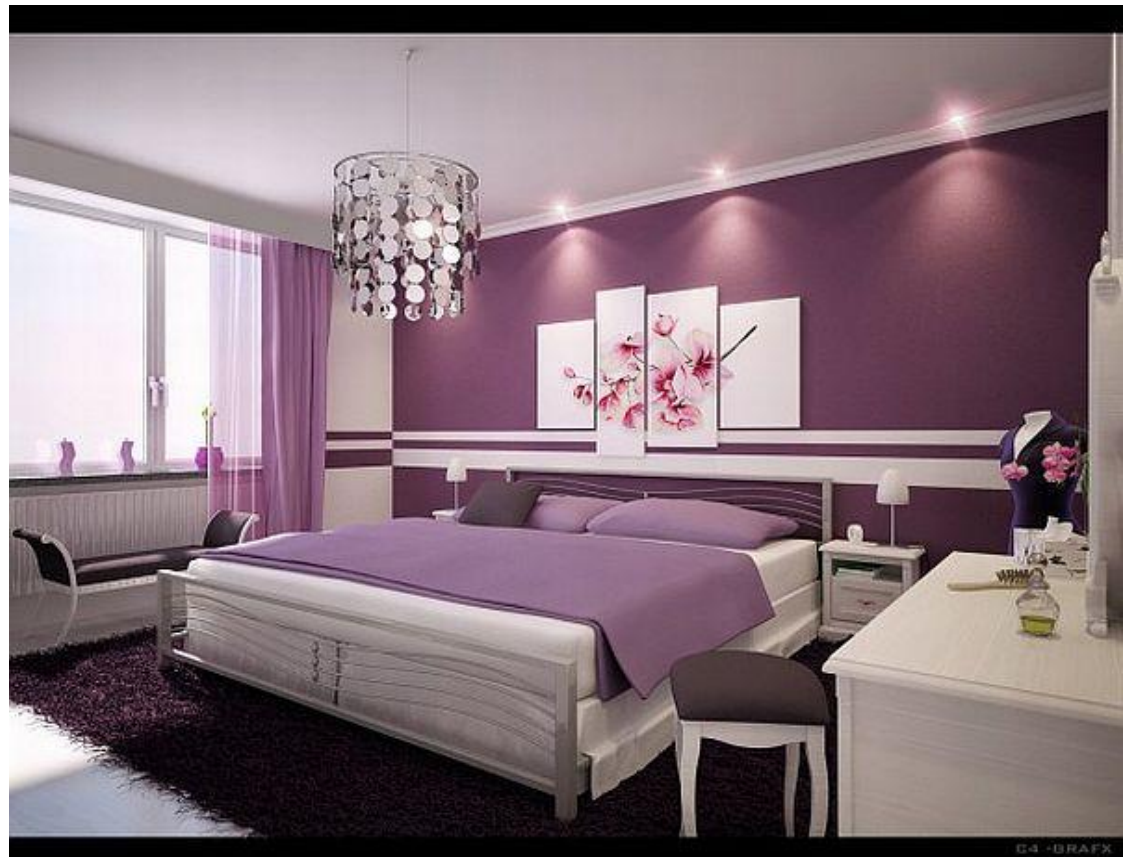

Kitchen

- ▶ This is a kitchen. The kitchen is large and light. There is a table by the window. There are 5 chairs around the table.

Room for guests

- ▶ This is a bedroom for guests. It is purple. There is a bed in the middle of the room. The walls are purple and black. There are bright pink curtains on the big window. I think it's cozy and beautiful room

Outside the house

- ▶ Outside the house I would like to have a beautiful shady garden to spend free time listening birds' songs and leaves rustling ,a front garden with rose bushes and large lawn. And there is a swimming pool next to my house. It's so nice to swim in it in a hot summer day. And as the modern life is impossible without cars , I need the garage.

Conclusion

That is all about my dream house. I hope that one day my dreams will come true. It would be great to live in the house like this

Thank you for attention!
