

My Family

The people in my family are

- My mum (Maria)
- My dad (Taras)
- My brother (Vitalik)
- My brother (Volodya)

My name's Victoria,
I'm eleven. I go to
school. My favourite
lessons are English and
Art. I like to paint, so I
want to be an artist.

My mum is
thirty-four, she is a
housewife.

My dad is thirty-nine, he is a builder, and he likes his profession.

My brother Vitalik is seven, he goes to school, and he wants to be a firefighter.

My younger brother Volodya is five, he goes to a kindergarten. He likes spending time outdoors and watching TV.

*I and my
mom love
to spend
our free
time
together.*

We are a happy family!
