

# My favorite artist is Edgar Degas

# He was a French painter, impressionist.

**Degas was born into a family that came from an aristocratic family.**

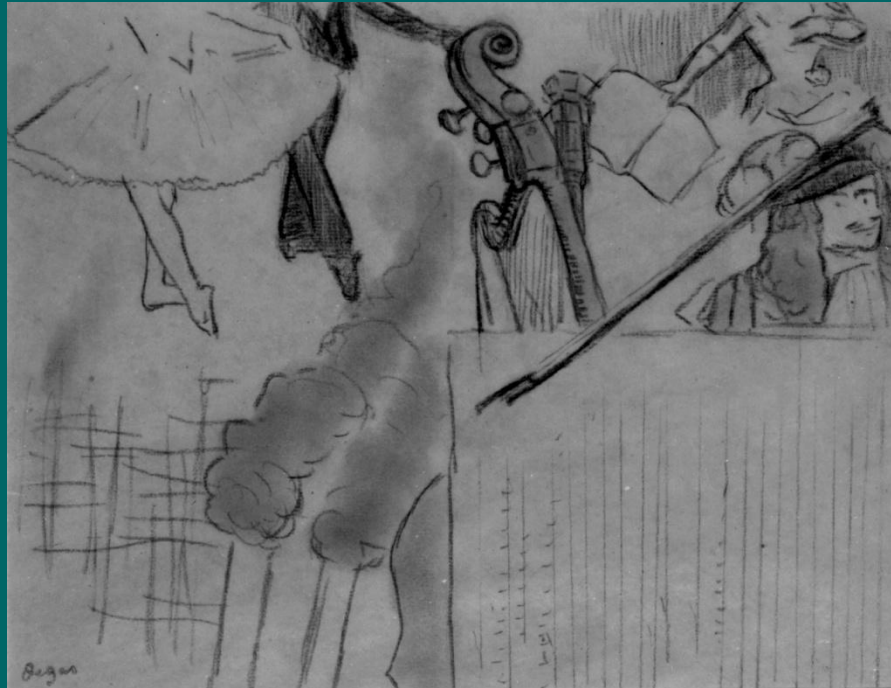

*The Millinery Shop*

*Desire to paint near Degas began to manifest in childhood.*

## "Program for an Artistic Soiree"

- **Already in the beginning of his long creative way Degas was an artist who, like joking, just selecting a picture, you can stop working on it.**

Many paintings by Degas devoted  
ballet, horse racing.

Before the Race

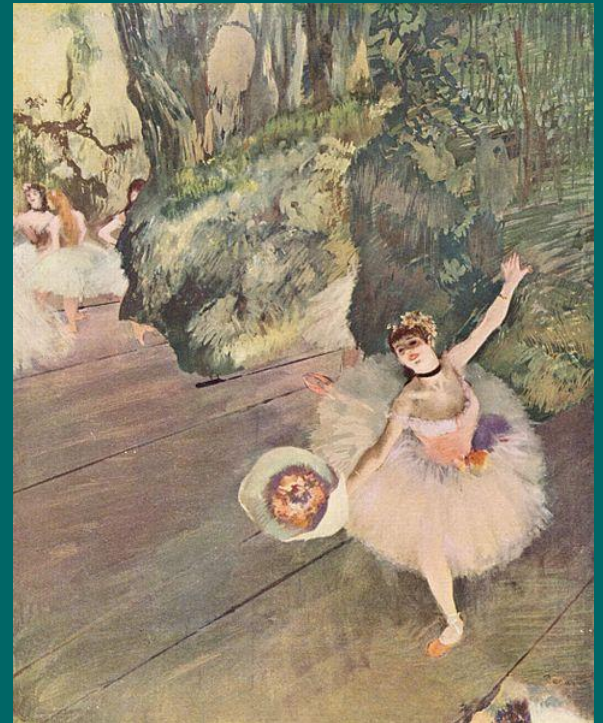

See ballerina - say Degas.  
Degas say - you see a ballerina.
