

My Friend

I have got a true friend.
My friend is a dog.

My friend's name is Tuman. It is a husky. It is a nice dog. He is grey. He has got an unusual tail. It is like a ring.

He has got a curious nose. It's wet tongue is pink. He likes to give me the paw. He likes to jump. I like to walk with my dog.

Tuman likes tasty
soup and meat and I
give him water.
He is a husky but
he does not bark.

Usually we play in the yard.
