“MY GYMNASIUM IS THE BEST.”

*Completed by: Nastya Grishina ,
form 6*

*Supervisor: Tatyana Lesnikova
Gymnasium named after S.V. Kovalevskya
Pskov Oblast, Velikie Luki.*

2009

*Hi! My name is
Nastya Grishina.
I'm in the 6th form
now.*

*I get only excellent
marks. My favorite
subjects are
English,
Mathematics,
Russian,
History...*

HI! 1 "A"!

Nastya

The 1st of September!

Hello, Gymnasium!

*In the photo. It was
my first form. I
was very happy,
because I wanted to
learn!*

We congratulate the graduates of our Gymnasium.

Nastyia
Grishina

Dedication into gymnasium pupil!

New year!
New year!

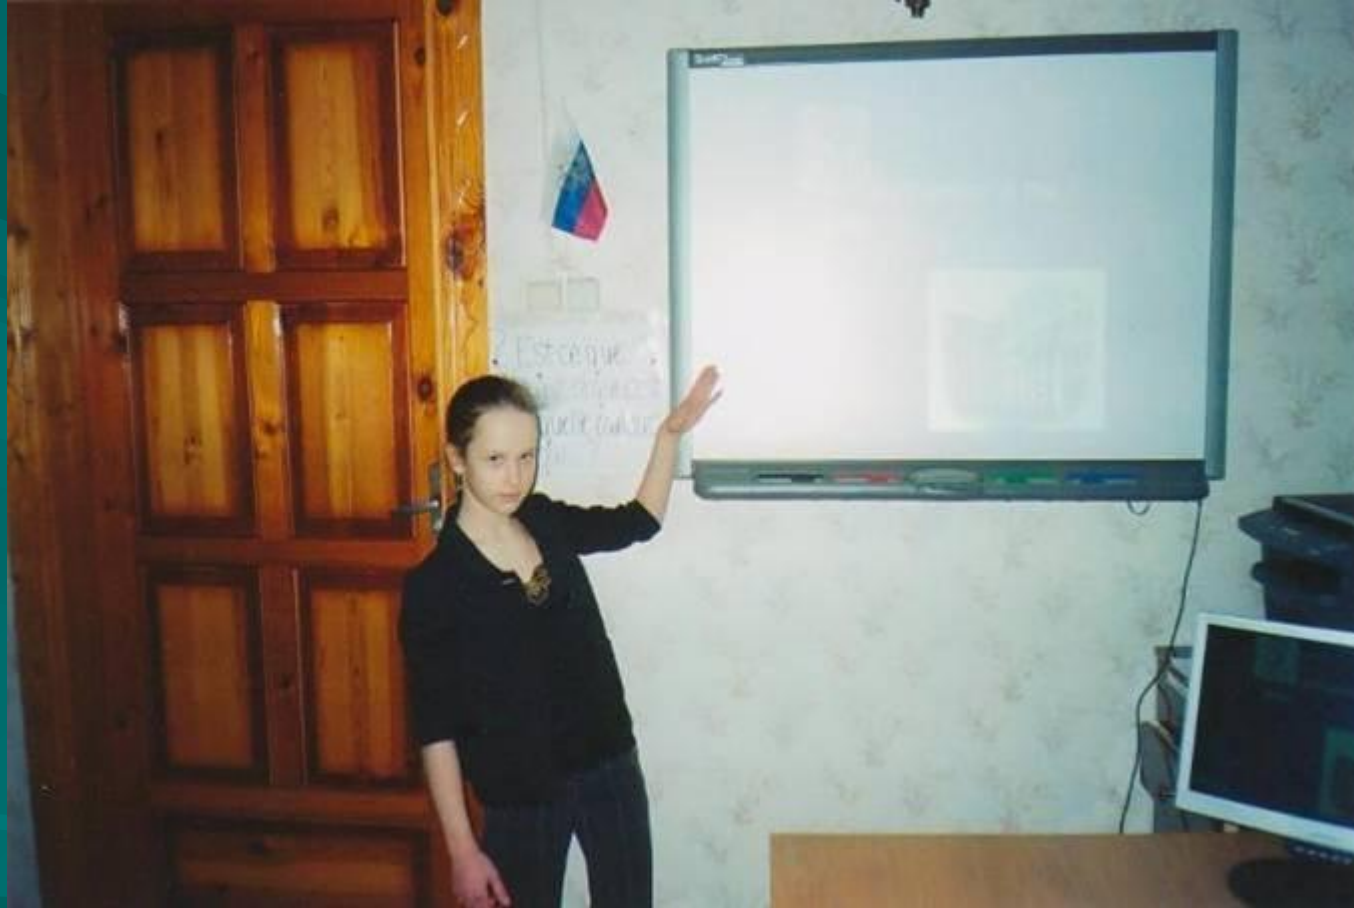

*The children always believe in Father
Frost!*

Our class is always the winner. We love sport!

Our teachers often use Smart Board at the lesson.

**English grammar
is very difficult.**

*We can't
imagine our life
without
computers.*

*My classmates try and study
English hard.*

My Gymnasium is the best!

*The emblem
of
Gymnasium*

*School № 3 was opened in 1958 .
Gymnasium was founded on the basis of
school №3 in 1991. 46 teachers work there at
present. Gymnasium is named after S.V.
Kovalevskaya.*

*S.V.
Kovalevskaya
is a great
mathematician.*

Sofia was born on the 15th January, 1850, and died on the 29th of January, 1891.

Sonya had got a sister Anna and a brother Fyodor. They lived in Polibino not far from Velikie Luki. She was a clever child. She liked to read different books. The girl also wrote poems.

Her parents loved Anna and Fyodor more than Sonya. Trying to deserve her Years passed, parents love Sofia went. Sonya studied abroad as in hard.

Russia women could not become scientists, but she achieved her goal and became a famous mathematician. Sofia made a great contribution to science.

*Our gymnasium was named after S.V.
Kovalevskaya and we are proud of it!*
