

My hobby

and me.

Hi! My name is Maxim. But
my friends call me Max.

I am twelve.

I have blond hair and ...
eyes. I am quite tall and

to my world!

I'm very interested in **fishing**.

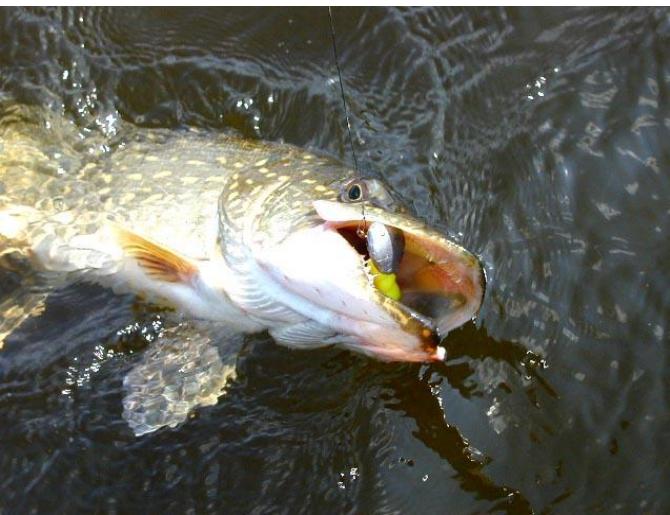

I can say that I am mad about fishing. I just can't live without it.

I have been fishing for the last four years.

And on the photo you can see me and the largest fish which I have caught.

That was a **pike**. Its weight was **one kilogram and one hundred gram**.

And in the same way I am keen on **computer**. Especially computer games. I like to play different **computer games** but best of all I am fond of 'Need for Speed', 'Grand Theft Auto', 'Colin McRae Rally', 'Counter Strike'. They are my favourite.

Computer graphic
is fantastic. Just
imagine that you
are driving this car.
It is cool, isn't it?

NEED FOR SPEED: CARBON WALLPAPER - DIGITAL ART BY VITO-LEE, 2006

Cars and speed! Extraordinary speed! It is exciting but it is also a bit frightening! I like it too.

You can feel yourself a
great driver.

NEED FOR SPEED: SHIFTERS

And of course some words about
pets!

I have a cat. It is
black and white.
His name is Boy.
He is four years
old. He loves to
play with me.

He also likes

milk

fish

and sausages.

Thanks for your attention!

Now you know that I like fishing, playing computer games and I also like my cat called Boy.

This presentation was made by Maxim.
