

My motherland is Kazakhstan

Kazakhstan is my motherland

I love it very much

***Its lovely fields with green on it
And mountains with snow on top***

I love its lakes with rare birds

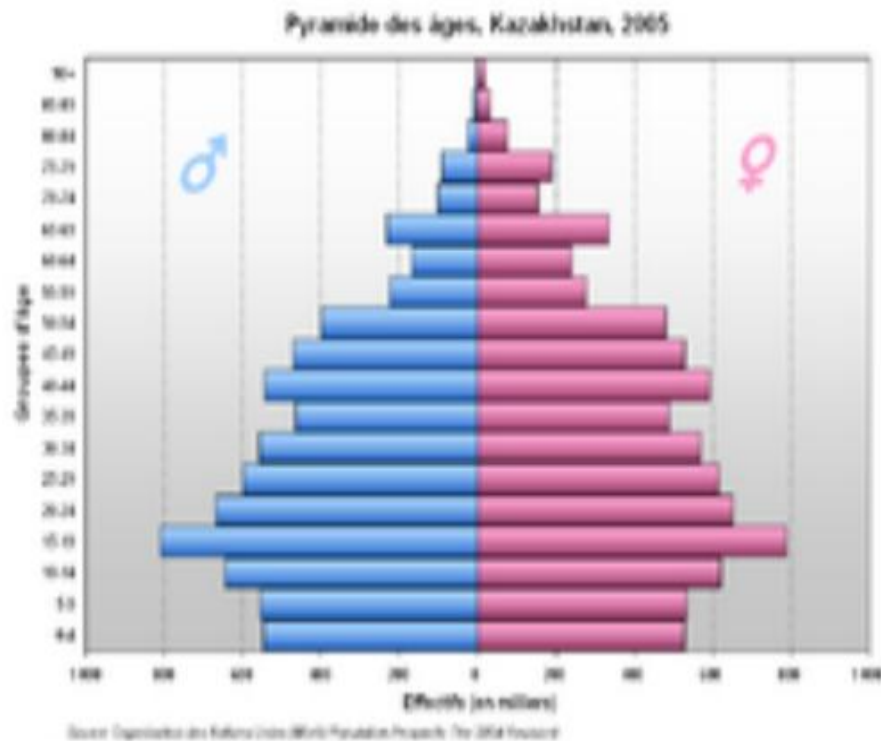

And rustling leaves on trees

My motherland, my Kazakhstan

Do live and shine forever!

Culture & national traditions

The Kazakh people are rich in traditions.

From birth through old age and death, every step of their lives has historically been marked with celebration. Even their funeral ceremonies have their own special symbolism.

Unfortunately, many rich and interesting traditions and customs of the Kazakh people have been forgotten throughout the past century. Real sovereignty is just now being reestablished in Kazakhstan due to the process of democratization. These abandoned traditions are just now being rediscovered by the Kazakh people. These traditions include being respectful to old people; being patriotic to the motherland; being honest; and learning to love mankind.
