I am a pupil. I go to school every day. I am in the fifth form.

My school is a new building. It is large. On the ground floor there are workshops, canteen, library. On the first floor we have classrooms and a gymnasium. The teacher's room is also on the first floor. On the second floor there are classrooms.

There are many trees, bushes, flowers in front of our school. There is a sports ground behind the school. We like to have P.E. on the sports ground.

I like my school very much.

1) We have many subjects. They are: Russian, Baskir, English, Mathematics, History, Music, Sport, Physical training, Literature and others. My favorite subject is English. It is interesting and exciting at the history lessons. Our History teacher is a good teacher.

He explains a new material simply and interestingly.

2) I live in Tselina. I attend a secondary school. It is not very big but it is very nice. A new building of our school was build in 1999. In front of our school there is a garden for flowers. Not far from our school there is a garden for cabbage, onion, carrot, cucumber, tomato, garlic, beetroot, garden radish and others.

3) I like my school. Here we have a computer room where we can work with computers. Our school library is not very big there we can find every book we need.

Our classrooms are well equipped and nicely decorated.

4) My school is great. Especially I like my sport lessons. My favorite sports are basketball, volleyball, ping- pong and football. But at the same time we don't have enough sport facilities at school. I like swimming but there is no swimming- pool in our school. Our schoolchildren can attend their favourite clubs. I attend basketball and volleyball clubs.

The more we learn, the more we know.
The more we know, the more we forget.
The more we forget, the less we know.
The less we forget, the more we know

So why study?
