Hello! I'm Ivan. This story is about my family and me and my summer holidays.

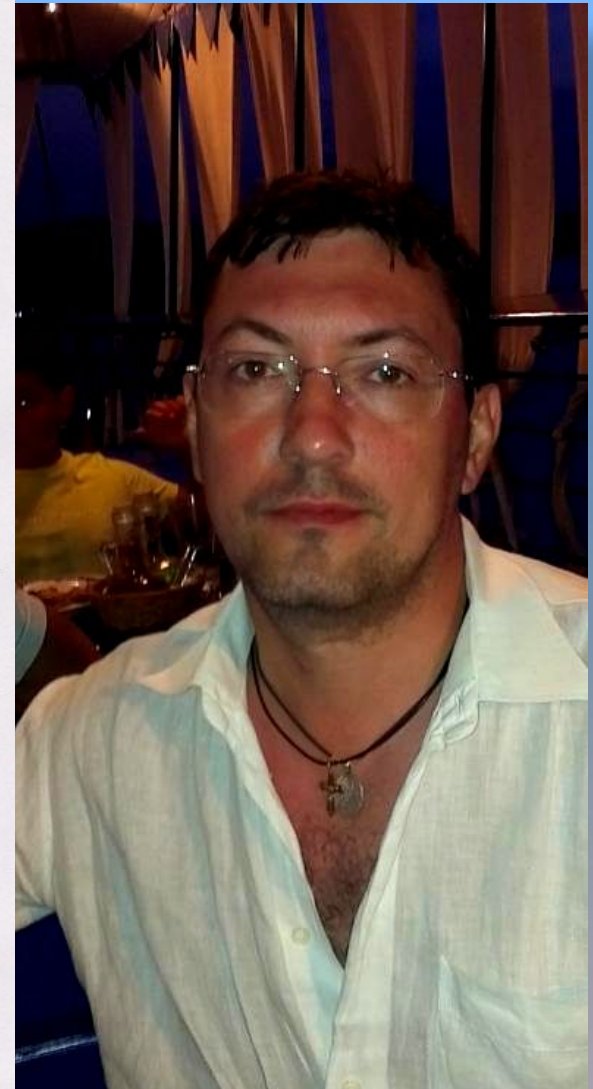

My granddad's big tractor.

My mum and I are good friends.

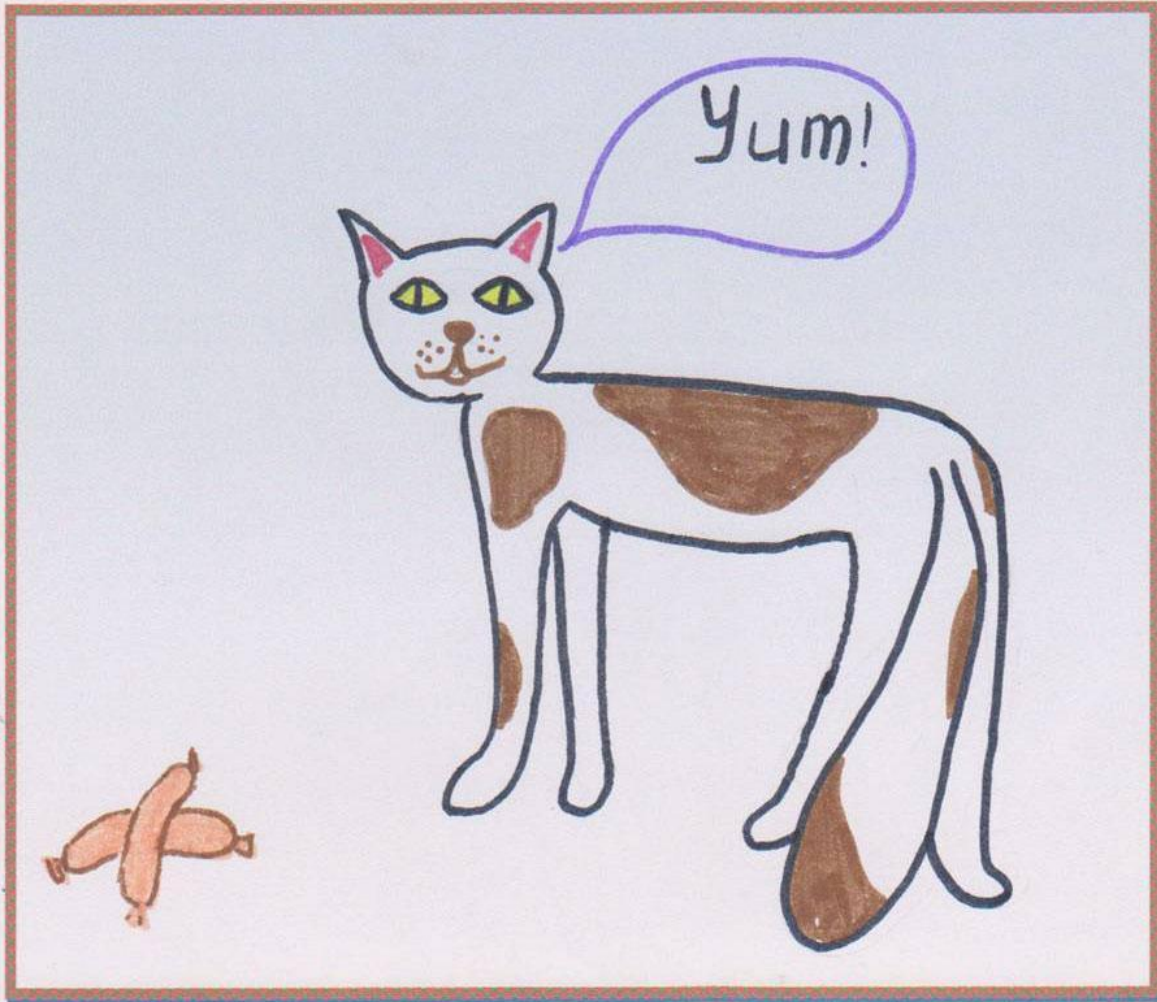

My dad is the best.

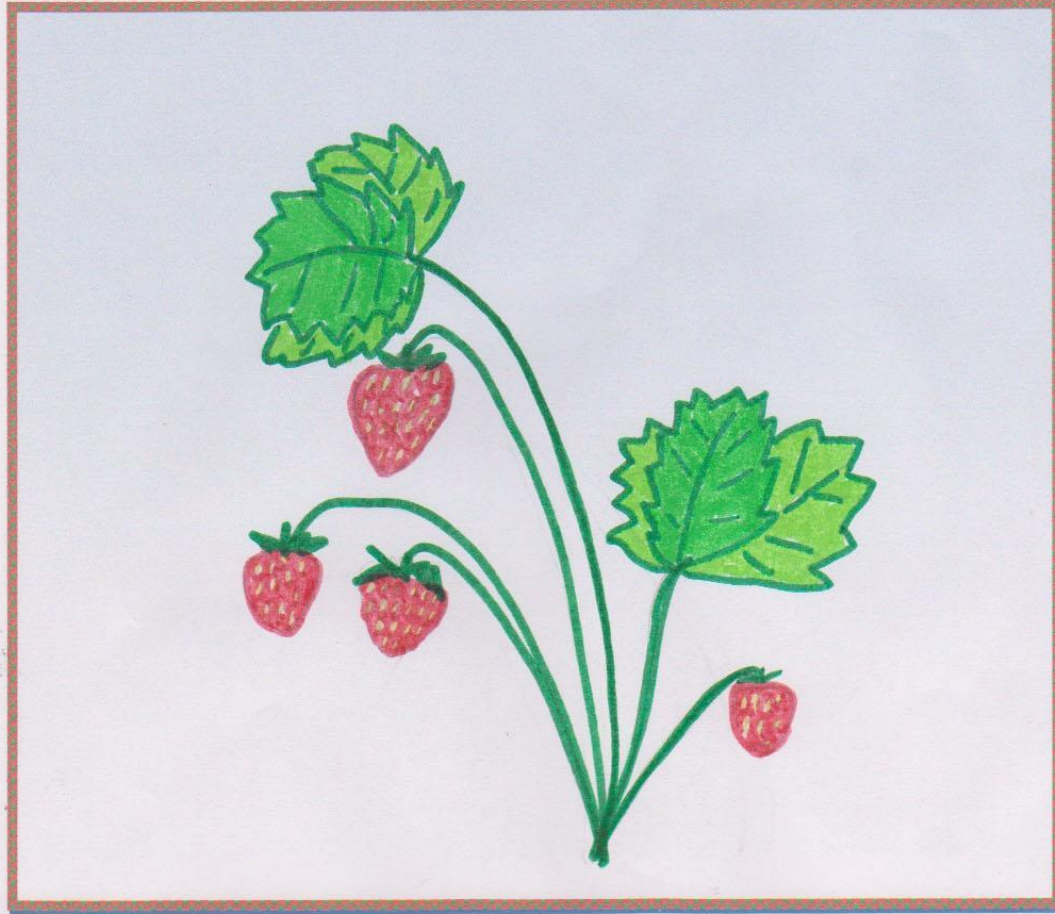

My little brother is nice and funny.

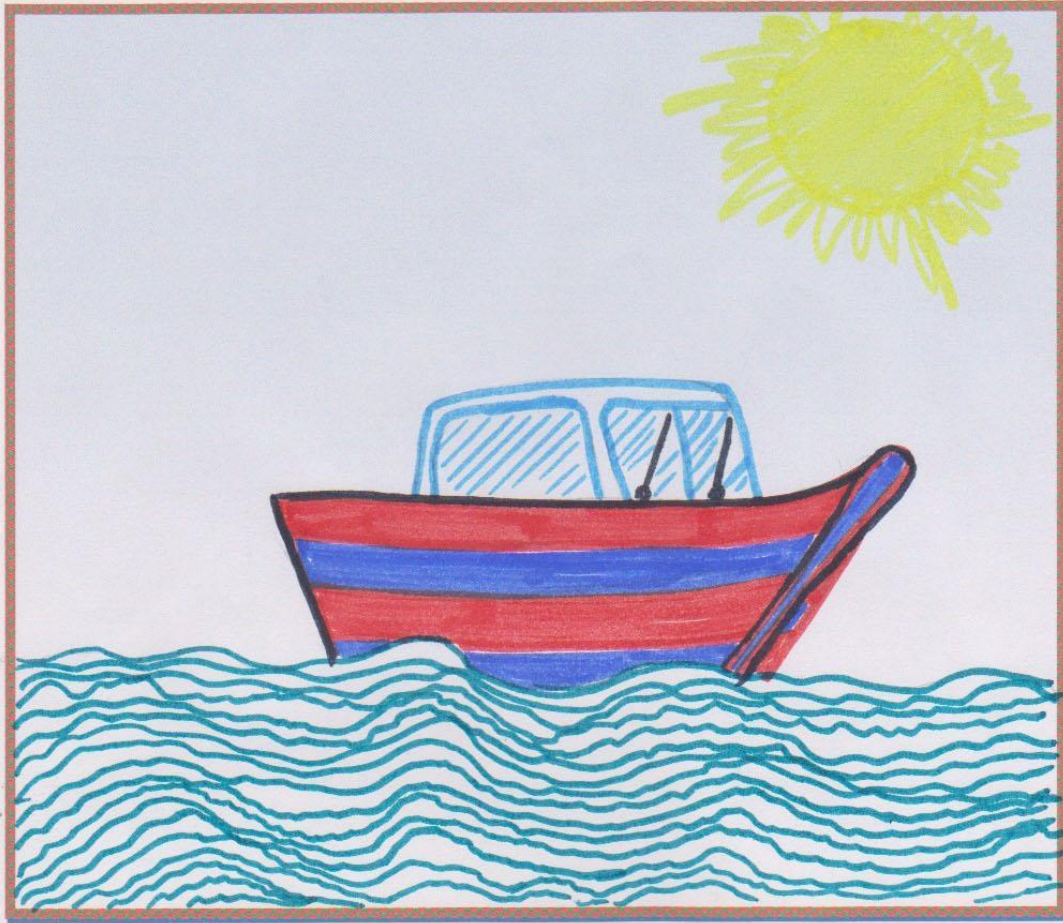

My grandma's summer garden.

My little brother likes strawberries.

We are in this boat.

The sunset is wonderful.

This is our happy family at the Black Sea.

I like summer and I like my summer holidays in Bulgaria. I can swim in the sea, play games and eat yummy things. I see my grandpa and my grandma. I am with dad, mum and my little brother and we are a happy family!

Good bye summer!
Please, come again!
