Multinational Russia

Some people say, the more nations are mixed together, the richer the culture is. However, other people think that the mixture of different cultures may lead to international conflicts and even wars.

What is your opinion?

Make an introduction

Express your opinion and give 2 arguments

Give arguments for other point of view

Explain why you don't agree with it

What do immigrants have to be accustomed to?

Remember to mention:

- **Language**
- **Traditions**
- **Mentality**

Thank you for attention!
