How one behaves online.

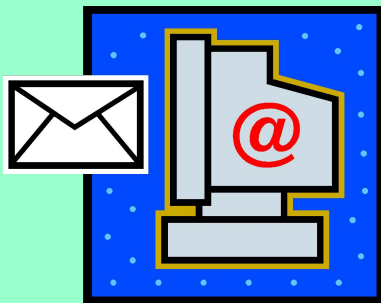

◆ **Be polite**

◆ **Do not send messages which may hurt a person's feelings**

◆ **Use proper language**
Avoid using inappropriate and offensive language.

- ❖ Remember that nothing you write on the Internet is private. Anything written on the 'Net' can be read by anyone online .

- ❖ Avoid sending the same message to the same people over and over again. This is called being a pest.

❖ **Never respond to rude or offensive messages. Just log off.**

▶ **Avoid using ALL CAPS. It's considered shouting online.**

CAPS LOCK

Not necessary all the time

Don't flirt or post anything private...

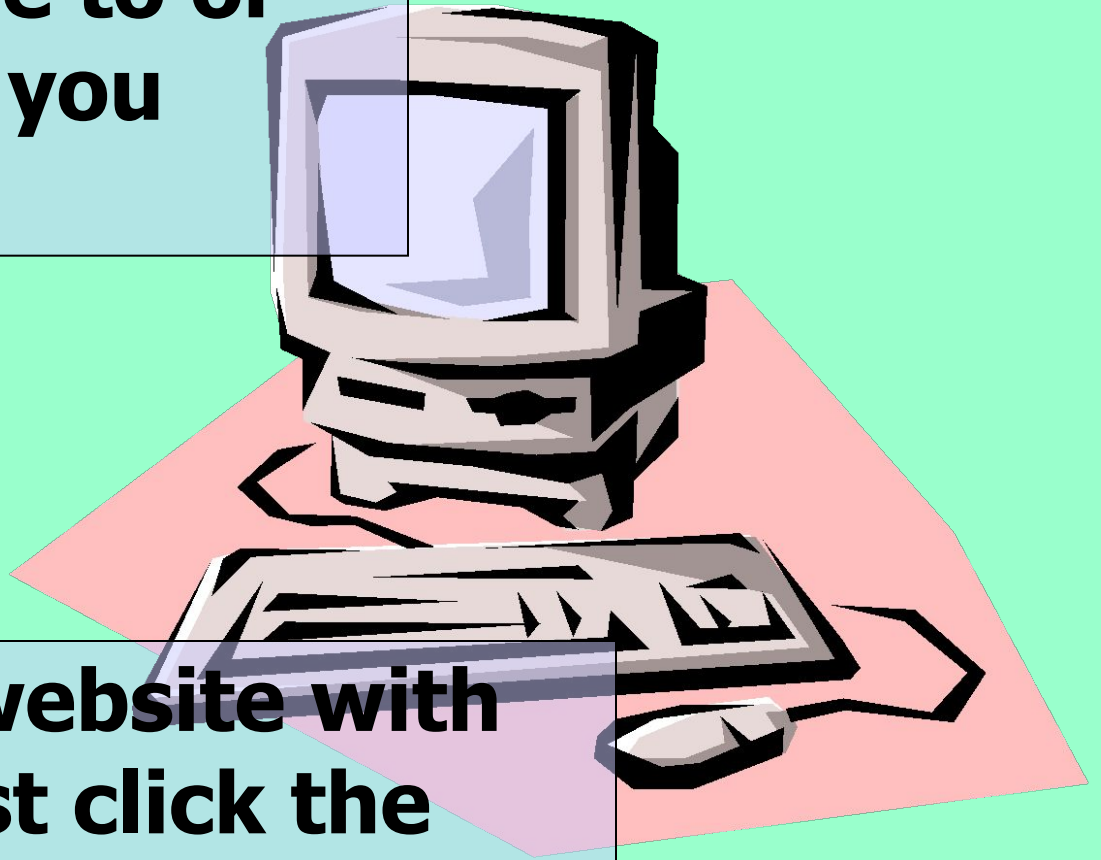

- You may think you're talking with this...

When you're really talking with this...

❖ **Never send or receive pictures online to or from persons you meet online.**

❖ **If you find a website with 'bad' stuff, just click the back button and go somewhere else.**

Respect intellectual property rights.

I propose that the following character sequence for
joke markers:

:-)

Read it sideways. Actually, it is probably more
economical to mark things that are NOT jokes,
given current trends. For this, use
