*«Запомни, Россия,....»*

*Запомни, Россия, ты велика,  
Не местами, где битвы прошли,  
Ты из чистой пшеницы полями полна,  
Собираешь в них солнца лучи.  
Так свободны от пыли леса и сады,  
В них природная есть чистота.  
Я так сильно люблю тебя,  
Ты моя жизнь, и наверно, так будет всегда.  
Я люблю твоих птиц, что так чудно поют,  
Прививая желание жить.  
А рассветы твои нам любовь отдают,  
И должны ею мы дорожить.*

A photograph of a sunset over a landscape. The sun is low on the horizon, casting a warm orange and yellow glow across the sky. The sky transitions from a deep orange near the horizon to a pale blue at the top. In the foreground, there are dark green trees and foliage, partially obscuring the view of the landscape below. The overall scene is peaceful and serene.

*“Sunsets”.*

*Beautiful sunsets, heavenly skies,  
If you listen closely you can hear animals cry.  
They are calling their daughters,  
They are calling their sons.  
And when they hear it , they run to their mums.  
Night is arriving.  
Animals are preparing to sleep.  
Owls are awakening, they are starting to creep.  
A lot of dark hours pass.  
Mothers wake up to say,  
“Wake up, little cubs,  
Be prepared for the new brand day”.*

*«Закат».*

*Прекрасные закаты, райские небеса.  
Прислушайся к звукам природы.  
Зверей раздаются вокруг голоса,  
Детишек своих они ищут повсюду.*

*Зовут они нежно своих дочерей,  
Зовут они снова своих сыновей.  
Услышав детишки своих матерей,  
Они прибегают, как можно быстрее.*

*И вот приближается ночь к ним опять,  
И снова зверюшки готовятся спать.  
Лишь совы проснутся в ночной тишине,  
Начнут скрежетать, забывая о сне.*

*И много проходит тёмных часов,  
И матери снова отходят от снов:  
«Вставайте, детишки, откройте глаза,  
Готовьтесь к приходу нового дня».*
