Квесты и Квесты

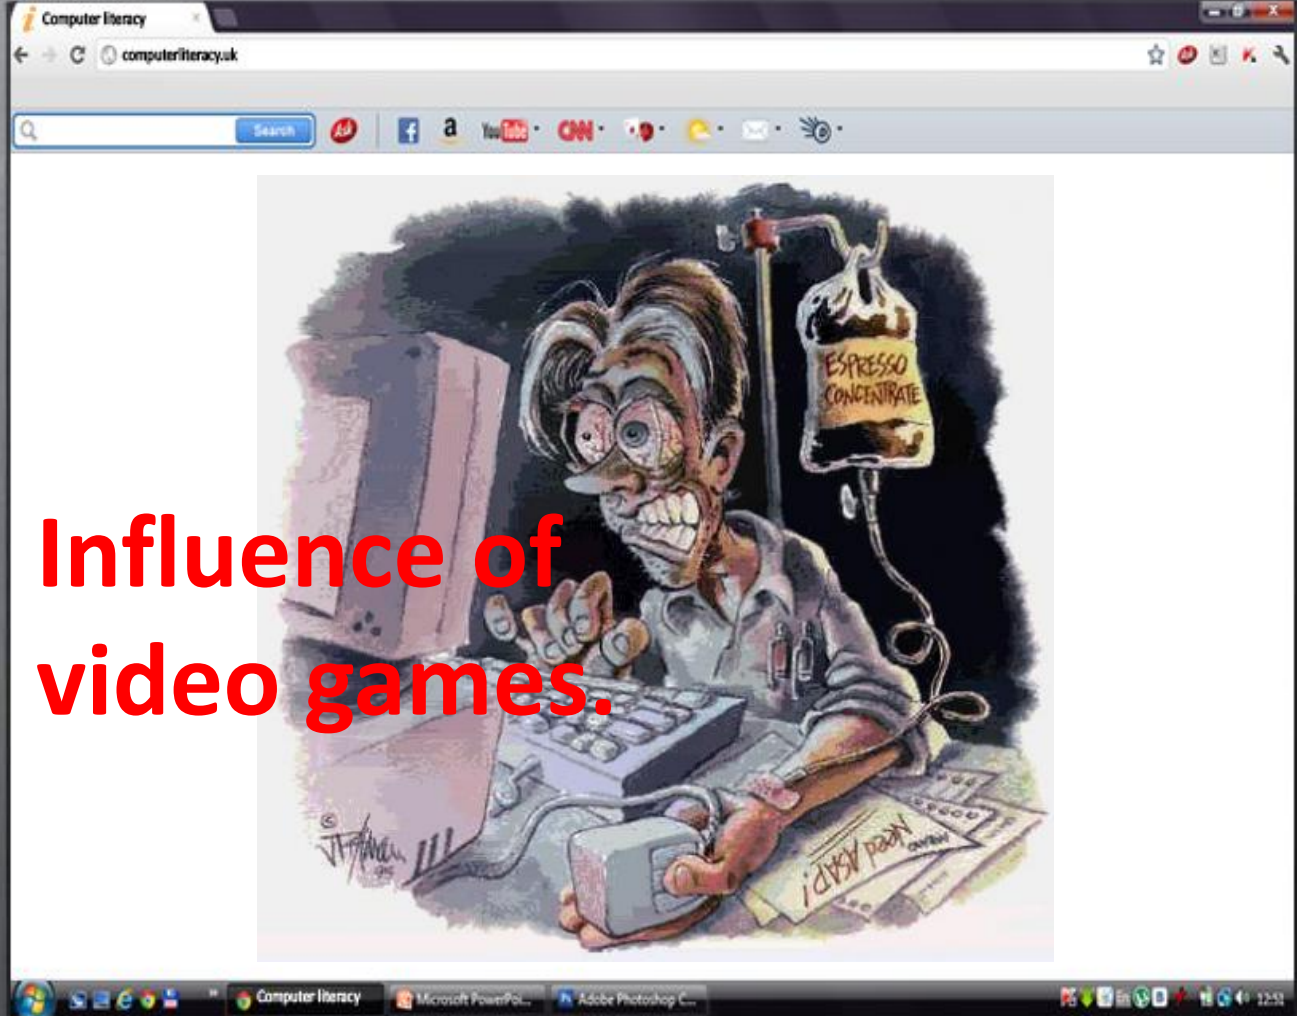

Квесты - это задания, которые вы выполняете в игре. Они являются основной частью геймплея и позволяют вам продвигаться вперед, получать награды и открывать новые возможности. В игре есть много разных типов квестов, от простых до сложных. Вы можете выполнять квесты в одиночку или вместе с друзьями. Квесты являются отличным способом познакомиться с миром игры и ее историей.

But computer skills are one of the most important to know in the modern world.

Science in 1980s computers have expended everyone's life;

it is hard to imagine today's world without email or finding information in the Internet.
