Listen. What Michael Jackson try to tell us?

Name the most serious problems, which make our Earth dangerous.

1. Drugs
2. Dangerous diseases
3. Pollution
4. Crimes
5. Endangered animals
6. New local wars
7. Dangerous technologies
8. Lack of recycling
9. People and their interrelations
10. Breaking human rights
11. Star wars

- -It is clear that not only the environment suffers of the man.
- Human beings also make harm to themselves.
- The next report is connected with the ways of the world improvement

- Our lesson is over!
- Thank you for your good work
- I think You will do your best to improve the world.
