the 10th class
"Maralikhinsky school"
Charyshsky region of the
Altai territory.

Fifteen winter sports disciplines, united in seven Olympic sports, are included in the program of the winter Olympic Games 2014.

- ▣ *My purpose: to acquaint pupils with such sport as ice hockey, and the main thing from the Russian national team on hockey.*

Ice hockey – team sports game on the ice, consisting in an antagonism of two teams on the skates which, transferring a washer sticks, seek to throw its greatest number of times in gate of the rival and not to pass in the. The team which has thrown the greatest number of washers in gate of the rival wins.

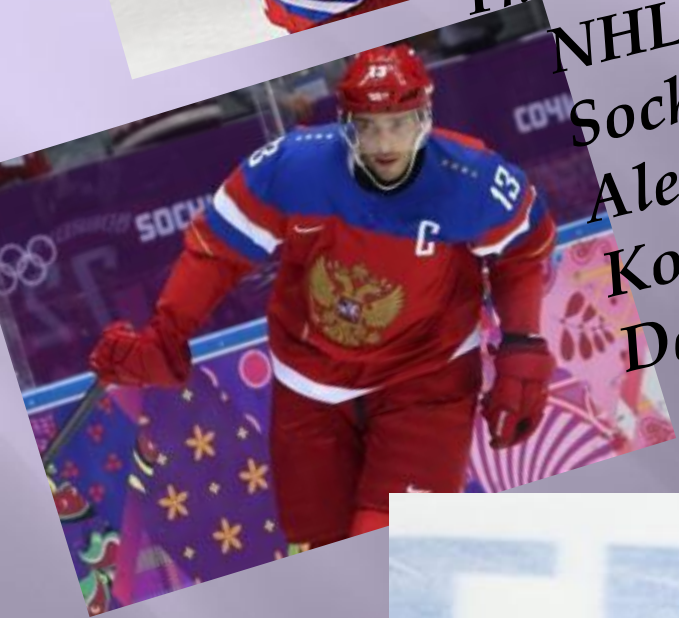

Russian national team

The best Russian hockey players playing KHL and NHL performed at the 22nd Olympic Games in Sochi. Among them leading forwards were: Alexander Ovechkin, Evgeny Malkin, Ilya Kovalchuk, Alexander Radulov, Pavel Datsyuk.
