Say what products a woman buys.

How much cheese does she buy? A lot .

How much rice does she buy? A lot .

How much oil does she buy? A lot .

How much milk does she buy? A lot .

How many packets of biscuits do I buy? Not many.

How much bread do I buy? Not much.

How much milk do I buy? Not much.

How many bananas do I buy? A lot.

How many vegetables do I buy? Not many.
