Panorama Snowdon

Many tourists prefer to go back to Snowdon itself, but there are a lot of tourists on this mountain, the more that goes to the top of the funicular.

Snowdonia has
2,381 km of
public
footpaths.

The more that goes to the top of the funicular.

The are some historical routes of railways:
Festiniogskay, the Welsh uplands and Snowdon
Mountain.
Valuable dune systems.

- The forests of Snowdonia are a mixed type. The most common tree is the oak, birch, ash, hazel.
It's the only in Britain where you can find the Snowdon lily.
