Parable of the Stone

Once upon a time there lived a very old wanderer. Once he saw a big-big stone. There was a very strange sign on it: "Turn and read!". He hardly turned it and read it on the other side: "Why are you looking for new knowledge if you do not pay attention to what to things you have already known?"

Притча о Камне

Один странствующий искатель истины увидел большой камень, на котором было написано:

«Переверни и читай!». Он с трудом перевернул его и прочёл на другой стороне: «Зачем ты ищешь нового знания, если не обращаешь внимания на то, что уже знаешь?»
