

My favorite American film

# Pirates of the Caribbean

Life charismatic adventurer, Captain Jack Sparrow, full of exciting adventures, changes dramatically when his sworn enemy - Captain Barbossa - Jack kidnaps ship, the Black Pearl, and later attacks the Port Royal and steals a lovely governor's daughter, Elizabeth Swann.

Elizabeth's childhood friend, Will Turner, with Jack leads a rescue mission on the fastest ship in Britain, in an attempt to rescue a girl from captivity, and at the same time away from the villain Black Pearl.

**However, Will does not know what Barbossa hanging over eternal damnation in the moonlight transforms his team alive skeletons.**

**Curse will be lifted only when the stolen gold Aztec pirates will be returned to the original place.**
