**It was early in the morning
And the king jumped out of bed
He marched to the kitchen
And this is what he said**

Pizza for the king!

Pizza for the king!

Can you make it?

Can you bake it?

Pizza for the king!!!

**I want cheese, I want tomatoes,
I want peppers, can't you see?
I want chicken, lots of chicken,
That's the pizza for me!**

**I want peas, I want potatoes,
I want beans, can't you see?
I want carrots, lots of carrots –
That's the pizza for me!**

**I want grapea, I want bananas,
I want apples, can't you see?
I want strawberries, lots of strawberries –
That's the pizza fo rme!**

**They made the king his pizza,
He laughed happily,
He hopped, and skipped, and shouted,
“That’s the pizza for me!!!”**

Pizza for the king!

Pizza for the king!

Can you make it?
