

*Presentation  
National Culture of  
Ukraine*

*XTP-11a  
By Denis Danilenko*

*Ukrainian culture has a long history, it has evolved into complex historical conditions for centuries. Creating their own cultural values, the Ukrainian people absorbed the customs and*

**Great influence on the culture of the Ukrainian people had Greek, Roman and Byzantine culture, through which culture of Ukraine has gained much knowledge and skills.**

**Despite the variety of different sources of world culture, Ukrainians have established their identity, not similar to any other, distinct culture. Culture of Ukraine reflects the uniqueness of the spiritual world of the people, surrounding nature and specifics of traditions and customs.**

**An important event  
that determined for  
centuries artistic and  
spiritual development  
of Ukrainian culture  
in the adoption of  
Christianity in 988**

*The beginnings of Ukrainian writing date back to 13-14 centuries. - Galicia-Volyn and Lithuanian Chronicle. The first printed book in Ukraine began in the early 16th century, in the 17th century opened the Kiev-Mohyla Academy - the first Orthodox University. And in the 18th century Ukrainian*

The most important contribution to world culture through Ukraine has made its literature, art, music, cinema. Ukraine is a home of the world-famous poet and artist Taras Shevchenko; philosopher, poet and educator Gregory Pans; writer Michael Kotsyubinskiy; Ilya Repin; composer and musical public figure Mykola Lysenko. In addition, the great Russian writers such as Nikolai Gogol, Anna Akhmatova, Vladimir Korolenko who were natives of

**For many centuries the culture of Ukraine has developed as folk. Farmers, artisans, Cossacks have become real creators and bearers of culture. Great place it held oral folklore (songs, stories, tales, legends, proverbs and sayings), folk dancing, arts and crafts.**

*Thank You  
For  
Attention!*
