Cleopatra is still popular and well-known in Western culture. There are many works of art that tell the story of Cleopatra. From Shakespeare's Antony and Cleopatra to George Bernard Shaw's Caesar and Cleopatra, and the movie from 1963 which was simply called Cleopatra.

Cleopatra was known for her incredible beauty. One common and well told story about Queen Cleopatra was that she took baths in donkey milk to preserve her beauty. In fact, myth and legend says that nearly 700 donkeys were used to provide enough milk for her daily bath!
