

I can..

in Autumn

Let's sing!

Come along, come along

We will sing a song

Come along, come along

Don, din-don, din- don.

Holiday, holiday! It is very gay!

Holiday, holiday! We shall dance and play!

I can

I can see

I can see a beet

I can see a beet, a carrot

I can see a beet, a carrot, a tomato

I can see a beet, a carrot, a tomato and a potato.

I can

I can see

I can see a cucumber

I can see a cucumber, a tomato

I can see a cucumber, a tomato and a beet.
