

THE SAFARI PARK

SONG THE SAFARI PARK

Let's go to the safari park
And see the animals before it's dark
The lion's big and very strong,
And the kangaroo is jumping along!

The elephant is strong and grey,
The little panda is sleeping all day.
The big and hungry crocodile
Is watching me with a big toothy smile.

A monkey hung up in the tree,
Is looking down and smiling at me!
Now have a look at the big brown bear;
And the tiger too, but, please, don't stare!

A TIGER

A CROCODILE

A PANDA

A KANGAROO

A MONKEY
