A Poem

“The Country and The City

Where do people live?

Some people live...

Some people live...

A Question.

**Some people live in...
Where the houses are very
small.**

**Some people live in ...
Where the houses are very
tall.**

**But in ... where the houses are
small**

**The gardens are very big.
And in ... where the houses
are tall**

**There are no gardens at all.
Where would you like to live?**

**THANK YOU
FOR THE
LESSON!
GOODBYE!**
