

Seasons

There are four
seasons in the
year.

They are: spring, summer, autumn
and winter.

Spring

In early spring
snow begins to
melt.

Buds and small leaves appear

First flowers show up

Snowdrops

Violets

Tulips

Summer

Summer months are June, July and August

The weather is nice and people spend a lot of time out-of-doors

Autumn

Autumn begins in September and lasts for 3 months: September, October, November.

It often rains in
Autumn

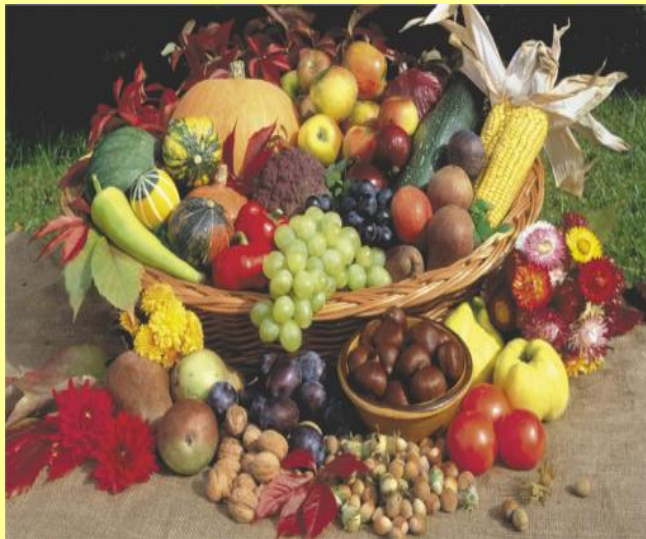

Autumn is a beautiful season

Trees are red, orange, green and yellow

Autumn is a tasty season

Winter

Winter
months
are
December,
January
and
February

It is the coldest
season of the year

Everything is covered with snow

Children play a lot of winter games

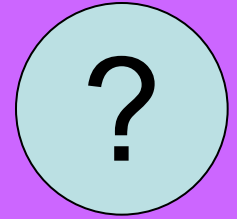

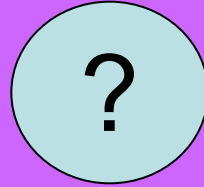

People celebrate

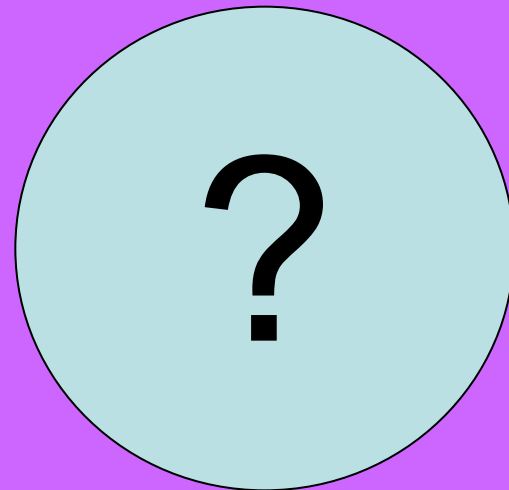

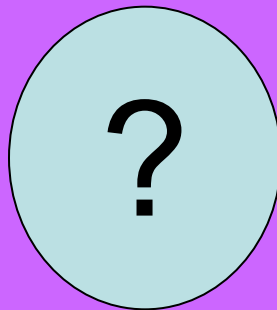

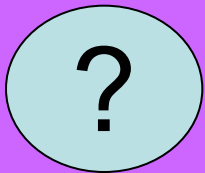

Christmas

The New Year's day

Guess the riddles

This is the season
When fruit grow,
I come to the garden
And make water flow.

It is summer

This is the season
When fruit is sweet,
This is the season
When school – friend meet.

It is Autumn

This is the season
When children ski
And Grandfather Frost
Brings the New Year Tree.

It is winter

This is the season
When snowdrops bloom
When nobody likes
To stay in the room.

It is spring

There is something in each season

The end
