I have got a sister. She is nice and kind. Her name is Rose. She is five years old.

She has got a lot of toys: four dolls, a doll's house, two teddy bears, three balls and a bike. She likes to draw and play with her toys. Rose is a smart girl. She likes to ask a lot of questions. She asks her dad, and me a lot of questions every day. She asks her questions in the morning and in the evening. I always asks a lot of questions: Why? Where? When? What? How many? And many of her questions are funny. Read some of the questions:

- Why are the flowers beautiful?
- Do elephants go to school?
- Where does Santa Claus live?
- When is Tiny's birthday?
- What is a teddy bear's name?
- How many sweets can you eat?
