OKK KITTI

You have 30 minutes to do this task.

33

You have received a letter from your English-speaking pen friend, Ben.

... We've moved house and now I have to go to a new school. It's a pity because I liked my old school and I had a lot of friends there. Now I feel a bit lonely but I hope to find some friends here too....

... What do you like most about your school? Have you got a lot of friends at school? What do you usually do with your school friends in your free time? ...

Write him a letter and answer his 3 questions.

Write 100–120 words. Remember the rules of letter writing.

Recycling is a technology that helps protect the environment and cut down on usage of raw materials. The steel, paper and glass industries recycle a lot. The largest recycler is the steel industry. It recovers more than 70 per cent of its original materials. For example, since 1988 they have produced the majority of new metal cans from old ones. Metal parts for cars and planes are other examples of recycling steel. Fragments of waste glass are widely used in construction. For producing writing paper and pens, used packing boxes are an ideal material. They are cheap and easy to recycle. Nowadays more and more recycling centres appearing in our towns and cities.

Task 3. You are going to give a talk about learning English. You will have to start in 1.5 minutes and will speak for not more than 2 minutes (10-12 sentences).

Remember to say:

- whether it is necessary to speak English nowadays, and why
- what you do to improve your English
- what other languages you would like to learn

You have to talk continuously.

•Отсутствие вступления

(I would like to give a short talk about...)

•Нет переходов между пунктами плана

•Отсутствуют средства логической связи

•Многочисленные грамматические и лексические ошибки

-Слишком маленький объем

•Отсутствие заключения (That's all I wanted to say.

Thank you for your attention./

That's all for now.

Thanks for listening.
